Kind Attn. : Shri Shekhar Naik
Subject : Details required from GAIL vide minutes of State Udyog Mitra Meeting held on 29.10.2007.

Dear Sir,

This has reference to your letter no. UM/Sum-minutes/Oct'2007/997 dated 20.11.2007 & subsequent letter no. UM/Sum-minutes/Oct'2007/9092 dated 03.12.2007.

In this regard, with reference to the issue mentioned at Point no. 2, Sl. No. 6 of Minutes of the State Udyog Mitra Meeting held on 29.10.2007, the desired information is as under:

- Recently in July'07, GAIL has successfully completed the Dahej-Dabhol pipeline project. GAIL has laid 30" diameter, 581 km long Dahej - Panvel - Dabhol pipeline with a design capacity of 12 MMSCMD and is carrying R-LNG from Petronet LNG Limited's LNG terminal at Dahej to Dabhol. The pipeline is currently supplying natural gas to the Dabhol Power plant of Ratnagiri Gas and Power Private Limited (RGPP) since July'07.
- GAIL pipeline has already reached MIDC, Taloja and pipeline connectivity to few major industrial customers is already under progress.
- RLNG/Sport-LNG/Market Priced gas is expected to be supplied to these customers through GAIL's pipeline network.
- GAIL is also laying spurlines from the Dahej-Panvel-Dhabol trunk pipeline to connect consumers in Trombay Region, Thane-Belapur Industrial Area, Thal Region, Patalganga, Khopoli & Industrial areas at Pune for supplying RLNG.

Hope the above information is in order. Please feel free to contact us for any further clarification/information.

Yours sincerely,

Kamal Tandon
