

13. POLICE CONTROL ROOM

Police Control Rooms have been set up in all districts and also in the Commissionerate areas. These Police Control Rooms are in operation round the clock. Besides other telephone numbers, these Police Control Rooms, have the general telephone number 100 constantly functioning there. This telephone service is free of charge. It is assured that immediate cognizance will be taken of all calls received on this telephone number.

If it is not possible to contact on telephone Number 100 the Control Room officer/Assistant Commissioner of Police can be contacted on telephone numbers 267 38 87, 262 30 54 and 262 18 55 for Greater Mumbai. In other districts the Control Room officer should be contacted.

In case of any crime, accident or in an emergency in which urgent police help is needed, the police control room should be contacted immediately so that the control room can inform the police station concerned which will in turn arrange to send the mobile wireless patrol van to the site of the incident.
